Manfred-von-Ardenne-Ring 20, 01099 Dresden, Germany

## Global Project References (a selection)

**Contract- & Claim Management > Dispute Resolution > Arbitration & Litigation > Expert Witness  
> Risk Management > Due Diligence Services.**

- Due to respect of our clients' privacy and adherence to non-disclosure agreements, we refrain from listing any case studies and/or references regarding claim management, expert witness, arbitration settlements and litigation services.
- **INTEC** offers these services to owners, developers, contractors, legal advisors, banks and other funding agencies.
- **Sector Coverage:**
  - ✓ Industrial Process Plants..... Europe and the Middle East
  - ✓ Petrochemical Installations..... Europe, the Middle East and Asia
  - ✓ Power and Desalination Plants..... Europe, the Middle East and Africa
  - ✓ Microelectronic and Semiconductor Plants..... Europe, the Middle East, Russia and Asia
  - ✓ Automotive Plants..... Europe, Russia and China
  - ✓ Pharmaceutical Facilities..... Europe
  - ✓ Hotel and Leisure Facilities..... Europe

## Global Project References (a selection)

- **Robert Bosch Semiconductor Manufacturing Dresden GmbH, Germany** > Construction of the new RB300 semiconductor wafer plant > MEP-site supervision, contract management and document control > Client: Drees & Sommer SE Baumanagement, Stuttgart.

- **ACCUmotive, Kamenz, Saxony, Germany** > Reconstruction and expansion of three production lines at there lithium-ion battery manufacturing plant > MEP-site supervision and document control > Client: Drees & Sommer SE Baumanagement, Stuttgart.

- **Petronas LNG Plant, Bintalu, Malaysia** > Construction of a new LNG (liquefied natural gas) plant > HVAC- engineering and commissioning > Client: Linde AG Engineering Division, Pullach, Germany.
- **Qatar Shell Pearl GTL, Ras-Laffan, Qatar** > Construction of a new GTL (gas to liquids) plant > HVAC- engineering and commissioning > Client: Linde AG Engineering Division, Pullach, Germany.
- **Eastern Petrochemical Co. Sharq, Al-Jubail, Saudi Arabia** > 3rd Expansion Project > Construction of a new ethylene plant > Project management and site supervision > Client: Linde-KCA-Dresden.

### EISENMANN

- **EISENMANN AG, Nizhny Novgorod, Russia** > Construction of a new GAZ / VW joint venture automobile plant > HVAC commissioning of spray paint booths and ovens.
- **EISENMANN AG, Elabuga, Russia** > Expansion of the Ford / Sollers joint venture automobile plant > HVAC commissioning of spray paint booths and ovens.

- **DÜRR, Changchun, China** > Construction of the new FAW / VW Automotive joint venture automobile plant > HVAC commissioning of spray paint booths and ovens.
- **DÜRR, Dalian, China** > Construction of the new Chery Automotive Ltd. Automobile plant > HVAC commissioning of spray paint booths and ovens.
- **DÜRR, Valencia Spain** > Expansion of the Ford automobile plant > HVAC commissioning of spray paint booths and ovens.

- **KINETICS GmbH, Riyadh, Saudi Arabia** > KACST University > Construction of new cleanrooms > HVAC engineering and site supervision.
- **KINETICS GmbH, Thuwal, Saudi Arabia** > KAUST University > Construction of new cleanrooms > HVAC engineering and site supervision.

## Global Project References (a selection)

- **FÄTH Group, Moscow, Russia** > Crocus Nano-Electronics (CNE) > Construction of a new 300mm semiconductor wafer plant > contract management during the base build and tool hookup phases.

- **GLOBALFOUNDRIES Module One, Dresden, Germany** > 300mm Semiconductor plant > Facilities Department > development of a concept for inert gas recycling and substitution.

- **Siltronic / Wacker Chemie, Freiberg, Saxony, Germany** > extension of the 300mm silicon wafer manufacturing plant > design and site supervision of slurries and ultra pure water systems.

- **Infineon Technologies Dresden GmbH, Dresden, Germany** > Extension of a 200mm semiconductor plant > project- and contract management for the Facilities and Finance departments during the base build and tool hookup phases.

## Global Project References ( a selection)

- **Qimonda Dresden GmbH & Co. OHG, Dresden, Germany** > Extension of the 300mm semiconductor plant > Project- and commercial management for the Facilities and Finance departments during the base build and tool hookup phases.
- **Qimonda West (PTG) Dresden** > MEP-site supervision and decommissioning of cleanrooms and utilities.

- **Plastic Logic Ltd., Dresden, Germany** > New manufacturing plant for electronic flexible displays > Contract- and commercial management based on FIDIC-standards, during the base build and tool hookup phases 1 and 2.

- **AMS austriamicrosystems, Graz, Austria** > Construction of a new 200mm semiconductor plant > Contract- and commercial management during the base build and tool hookup phase > Client: Turner & Townsend Ltd., London.

- **AMD Advanced Micro Devices Fab30, Dresden, Germany** > Construction of a new 200mm semiconductor plant > Contract- and commercial management during the base build and tool hookup phases 1 to 3.
