London | Hamburg

*"We wished to extend into the rear garden in a way that would maximise light and blur the boundary between inside & outside space."  
Client / Owner*

*"After 15 years of marriage we finally disagreed.  
I wanted a calming modern house but my husband  
wanted a contemporary house with adventure.  
Felix, Catherine and their team gave us both."  
Client / Owners*

*Creating interconnected spaces within the stacked floor plates of a typical London terrace property was at the core of the architectural idea behind this family home in Dartmouth Park.*

**OUR PASTA**  
*handmade*

We make our pasta fresh daily. It consists of three carefully selected ingredients - water, salt and durum wheat semolina. Handmade into 8 different types of pasta. Each with its own special characteristics.

*Dolci*

Our sweet pastas are the perfect accompaniment to the most delicious of desserts. They are made with soft, tender pasta, handrolled and finished with a light dusting of sugar.

**OUR SAUCES**

We create our house-made pasta, as well as our rich dressings, pizza and pasta sauces, out of a lot of fresh ingredients - every single day!

**PASTA IS OUR LIFE**

*Tosto*

**LOVE. PIZZA. HAPPINESS.**
