Mega Menu "About Us":

- About The HIPAA Journal**

The HIPAA Journal provides comprehensive coverage of HIPAA news, independent advice about HIPAA compliance, best practices to avoid data breaches, violations and regulatory fines.

The HIPAA Journal has been online since 2012 and has served the healthcare compliance community with over 5,000 articles. The editorial team has worked hard to provide the best possible resource on all matters relating to HIPAA.

Our reference and information articles are regularly reviewed for accuracy and are immediately updated with the latest regulatory changes. The HIPAA Journal team is committed to reporting healthcare and HIPAA news when the stories break, ensuring our visitors obtain the latest information on regulatory changes, data breaches and other HIPAA matters.
