Partition panel kit CBG EasyPan 100	
Reaction to fire	Class A2 - s1, d0
Resistance to fire	E 120 / EI 120 / EW 120 (E 90* / EI 90* / EW 90*)
Resistance to damage and functional failure from horizontal loads	Category III (EAD 210005-00-0505)
Resistance to horizontal linear static loads	Category III (EAD 210005-00-0505) Category C1-C4, D1-D2 (EN 1991-1-1 Eurocode 1)
Rigidity of partitions to be used as a substrate for ceramic tiling.	Conformity
Safety against personal injuries by contact.	No sharp or cutting edges.
Airborne sound insulation	Rw = 39,3 dB ((-2,0; -6,0)
Sound absorption	$\alpha_w=0,15$ (LH) Class E

**At the customer's request, the fire resistance of 90 minutes is indicated here too.*
