STONE LOOK

Mystone Ardesia

Mystone Ardesia si ispira all'omonima roccia sedimentaria che ha rivestito un ruolo fondamentale nella storia dell'architettura. Trame suggestive per una collezione dal fascino naturale dotata di una sensibilità marcatamente contemporanea. Sintesi ideale tra performance tecniche e design.

Mystone Ardesia is inspired by construction slate, a sedimentary rock that has played a fundamental role in the history of architecture. Exquisite patterning for a collection with natural beauty and a strongly contemporary mindset. The ideal blend of technical performance and design.

Mystone Ardesia s'inspire de la roche sédimentaire du même nom qui a joué un rôle essentiel dans l'histoire de l'architecture. Des trames enchanteresses pour une collection au charme naturel, flanquée d'une sensibilité profondément contemporaine. Synthèse idéale entre performance technique et design.

Mystone Ardesia ist am gleichnamigen Sedimentgestein inspiriert, dem in der Architekturgeschichte eine bedeutende Rolle zukommt. Faszinierende Strukturen für eine Kollektion, die durch natürlichen Charme und eine betont moderne Note besticht. Gelungene Synthese aus Funktion und Ästhetik.
