Mist

Mist è la nuova collezione da rivestimenti in formato 25x38 cm dall'effetto cemento discreto, armonioso e morbido al tatto. Un melange di tonalità e decorazioni ispirate ai disegni delle antiche maioliche, con grafiche geometriche e motivi più classici, accompagnate da superfici ondulate con effetto 3D, raccontano l'incanto di una tradizione ceramica che rivive nel presente con nuova energia.

Mist is the new wall tile collection in the 25x38 cm size, with a tasteful, discreet, softly tactile concrete look. A mixture of shades and decors inspired by the designs of antique majolica ware, with geometric patterns and more classic motifs, accompanied by rippled surfaces with a 3D effect, evoke the spell of a ceramic tradition that lives again, with new energy, in the present.

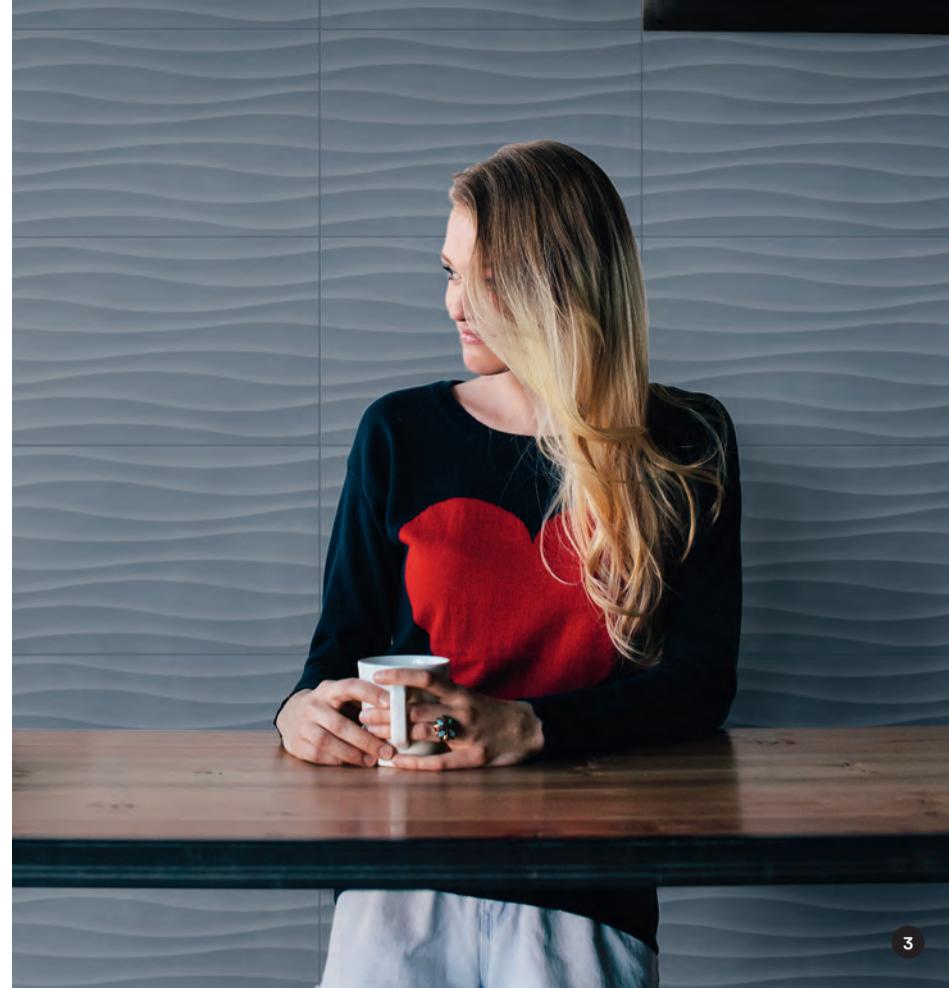

Mist est la nouvelle collection de carreaux muraux 25x38 cm affichant un effet béton discret, équilibré et doux au toucher. Un mélange de tonalités et décos inspirées de l'allure des anciennes majoliques, avec des géométries graphiques et des motifs plus classiques, assorties de surfaces ondulées effet 3D, narre l'enchanteur d'une tradition céramique qui renaît aujourd'hui avec une énergie nouvelle.

Mist ist die neue Wandfliesenkollektion im Format 25x38 cm mit einer dezenten Betonoptik und einer weichen Haptik. Sie kommt in einem Mix aus Farben und Dekorationen daher, der von traditioneller Majolikakunst inspiriert ist. Geometrische Muster und klassische Motive reihen sich zu plastischen Wellenreliefs. Sie interpretieren die Keramiktradition mit einer neuen Frische und transportieren sie in die Gegenwart.

Mist es la nueva colección para revestimiento en formato 25x38 cm de efecto cemento discreto, armonioso y suave al tacto. Mezclando tonalidades y decoraciones inspiradas en los dibujos de la mayólica antigua con motivos gráficos geométricos y otros más clásicos, acompañados por superficies onduladas de efecto tridimensional, narra el encanto de una tradición cerámica que renace en el presente con energías renovadas.

Mist - это новая коллекция облицовки в формате 25x38 см со сдержаным, гармоничным и мягким на ощупь эффектом цемента. Источником вдохновения для этой смеси тонов и декоров стала старинная майолика с геометрической графикой и самыми классическими мотивами, которую дополняют волнистые поверхности с объемным эффектом, рассказывая об очаровании керамической традиции, живущей в настоящем с новой энергией.
