

Declaration that
Sopro KellerDicht 2-K 754
complies with the Model Environmental Product Declaration
EPD-DBC-2019134-IBG1-EN

Dear customer,

Sopro Bauchemie GmbH is a member of Deutsche Bauchemie e.V. which has developed Model EPDs for Polymer-modified bituminous thick coatings. These Model EPDs were verified by the independent institute IBU (Institut Bauen und Umwelt); Germany's EPD program holder organisation.

The Model EPDs have been published on the website of Deutsche Bauchemie (<https://muster-epd.deutsche-bauchemie.de>), and also on the websites of the IBU¹ and ECO² (Platform of the European EPD Programme Operators³) and can be downloaded there.

As a member of Deutsche Bauchemie, and with the help of an internal members' guidance paper, Sopro Bauchemie GmbH is entitled to determine the compatibility of its product with the Model EPD.

By means of this declaration, we confirm that we have verified the conformity of

Sopro Sopro KellerDicht 2-K 754

with the Model EPD for Polymer-modified bituminous thick coatings according to the guidance developed for this purpose. This means that the LCA data and the other content of the attached Model EPD apply to the above-mentioned product and can be used for the assessment of buildings. Please do not hesitate to contact us if you require any further information.
Yours sincerely,

Wiesbaden, den 04/05/2023

Stefan Großmann, Leiter ProduktTechnologie
